

Please join in for the WSUMC Virtual Easter Egg Hunt!!

Starting Saturday, March 27th through Sunday night, April 4th, hunt for Easter "eggs" around the church and take your picture with an "egg" and send it to office@whitestoneumc.org.

The "eggs" are painted rocks! Please don't touch or move them - just find them and take your picture with the rock in the image. If you send in a picture your name will be put in a basket for a drawing. Five names will be pulled out of the basket for a \$15 gift certificate at Country Cottage. Get a wonderful chocolate easter egg or some other treat!

If you do spend the time to find all 42 easter "eggs" let us know!! We definitely want to celebrate your accomplishment and participation. This activity is for all ages and especially for friends and family to do together.

Try this new twist: many of the eggs are painted with glow in the dark paint so consider hunting for eggs in the evening as well!!! Here are some images of the "eggs" as a clue:
